PROJECTS

- Data Science Salaries Dashboard** | *Excel and Tableau* **May 2024 – July 2024**
- Constructed comprehensive Tableau dashboards to visualize global data science remuneration across 66 nations.
 - Conducted an analysis of 607 data points, discerning salary trends to inform strategic recruitment initiatives.
 - Engineered sophisticated Tableau visualizations, thereby optimizing the efficiency of salary analysis procedures.
 - Refined and curated raw data within Excel, mitigating data preparation time and guaranteeing 100% accuracy for Tableau integration.
- Age-Based Anti-Bullying Quiz Game.** | *Smart India Hackathon(Team Project)* **Aug' 2023 – Oct' 2023**
- Co-developed an educational quiz game to discourage bullying, tailored for 3 age groups.
 - Designed age-specific modules promoting empathy and social responsibility with interactive features like real-time feedback and score tracking.
 - Showcased teamwork and innovation by presenting the project at the 2023-24 Smart India Hackathon.
- Electricity Billing Website** | *Python, HTML, CSS, JavaScript* **Sep' 2022 – Dec' 2022**
- Built a responsive website for electricity bill payments, featuring tariff plans, payment options, and energy-saving tips.
 - Used HTML, CSS, and JavaScript for structure, styling, and dynamic features like real-time bill calculation and form validation.
 - Added interactive elements like pop-ups and notifications to enhance user engagement.

TRAINING

- Complete Machine Learning & Data Science** **Jun' 2024 – Aug' 2024**
- Gained hands-on experience in machine learning algorithms, model evaluation, and data preprocessing.
 - Developed expertise in supervised and unsupervised learning, including regression, classification, and clustering techniques.
 - Implemented data analysis techniques to support decision-making within the internship.
 - Evaluated model performance using metrics such as accuracy and precision to ensure reliable results.

CERTIFICATIONS

- Complete Machine Learning and Data Science** **July 2024**
GeeksForGeeks – Certificate Link
- Mastering DSA using C and C++** **April 2024**
Udemy – Certificate Link
- Programming in C++: A Hands-On Introduction** **Sep. 2023**
Coursera – Certificate Link

SKILLS

Languages: Java, Python, C/C++, HTML, CSS, R
Technologies: Tableau, Excel, MySQL
Developer Tools: Git, Visual Studio, PyCharm, IntelliJ
Soft Skills: Problem-Solving Skills, Project Management, Adaptability, Team Player

EDUCATION

- Lovely Professional University** **Since August 2022**
Bachelor of Technology in Computer Science and Engineering – CGPA: 8.03 *Jalandhar, Punjab*
- SR junior College** **June 2019 – March 2021**
Intermediate – Percentage: 94.40 *Nizamabad, Telangana*
- Vijaya Mary High School** **June 2018 – March 2019**
10th with Science – CGPA: 9.5 *Bodhan, Telangana*
